## Elementary Schools and Early Childhood Centers 2024-2025

### PREPARATION

In preparation for the upcoming school year, please review the following information with your staff, students, and parents. It is also suggested that you share this information in newsletters and various other ways throughout the school year.

### DELAYED OPENINGS

- **MORNING Half-day PEEP classes** will not be held when there is a delayed opening.
- **AFTERNOON classes** **WILL** be held if the opening of school is delayed.

### NOTIFICATION OF DELAYED OPENINGS & CANCELLATIONS

When it is determined that schools will be closed or delayed in opening, Community Relations will do everything possible to make the announcements as early as possible. Transportation personnel drive the streets starting at about 3 a.m. to determine safety conditions. NNPS will try to have a decision by 6 a.m. so that local television and radio stations can make the announcement. Please remember that a closing/delayed opening decision cannot be made on the basis of a forecast alone – conditions must be evaluated.

For the most reliable and timely information, please check the Information Line (757-283-7810), the NNPS website at [nnschools.org](http://nnschools.org), or NNPS-TV on Cox 47 and Verizon FiOs 17. NNPS families and staff will also receive notification through the telephone communication system.

It is important that you review the attached School Board *Procedure EBCE-P* with all staff members so that they know what to do in these various situations.

# Procedures: EBCE-P

## School and Facility Closings & Delayed Openings

The following procedures apply to the emergency closing or delayed opening of schools and for employee attendance during these modified school division operations. These procedures will be reviewed and updated as needed.

### Emergency Closings and Delayed Openings

The school division strives to make a decision to close early, open late, or cancel school as early as conditions allow, so that employees, students, and parents can be notified as soon as possible.

If it is necessary to dismiss school early because of emergency weather conditions, the normal order of dismissal will prevail. Each principal will clearly explain the early dismissal procedures to parents, to include the importance of keeping emergency numbers up to date, and urge that they make provision for the care of their child in case they are not home when the child arrives.

### TEN- AND ELEVEN-MONTH PERSONNEL

#### Delayed Opening

1. The reporting time for ten- and eleven-month employees (except cafeteria and key transportation personnel) is adjusted by the same number of hours as the student reporting time.
2. Cafeteria personnel report as soon as possible in order to prepare lunch. Breakfast is not served on days of delayed openings.
3. Morning half-day PEEP classes will **NOT** be held when there is a delayed opening.
4. Afternoon half-day PEEP classes **WILL** be held when there is a delayed opening.

#### School Cancellation

1. If school is canceled, all schools shall be closed for the day.
2. Ten- and eleven-month employees do not report to work unless the superintendent deems it necessary to use the day as a make-up teacher work day in order to avoid weekend or holiday make-up workdays.

#### Early Dismissal

Unless otherwise directed, the dismissal time for ten- and eleven-month employees (except cafeteria, transportation, custodial, clerical, and administrative personnel) is adjusted by the same number of hours that students are dismissed early.

# Procedures: EBCE-P

## School and Facility Closings & Delayed Openings

### Twelve-Month Personnel

#### **Delayed Opening**

All twelve-month personnel (other than custodial, transportation, and plant services personnel) are to report to work as soon as reasonably possible given the conditions at the time.

#### **School Cancellation**

1. When schools are closed all offices are open unless the closing of offices is specified.
2. All twelve-month employees report unless otherwise specified.

#### **Early Dismissal**

In the event of early dismissal of students, twelve-month employees and all cafeteria, custodial, transportation, clerical and administrative personnel will work their regular schedule unless otherwise notified by their supervisor.

#### **Custodial, Transportation and Plant Services Personnel**

Twelve-month day custodial, transportation, and plant services personnel will report at the regular time if other twelve-month day personnel are to report at any time during the day. They then will be provided appropriate compensatory time based on the number of reduced hours for other twelve-month day employees.

Twelve-month night custodians, transportation night monitors, and plant services night shift employees will report at noon if students are not in school and at their regular time if students are in school.

#### **Emergency Closing of a Single School or a Small Group of Schools**

1. The superintendent or designee will make the decision to approve the closing of an individual school or a small group of schools, which may be necessitated due to local emergency conditions. Executive directors and principals will contact Transportation to make the necessary arrangements to take the students home. Principals of elementary schools shall make every effort to contact parents and shall make arrangements to provide for children who do not have emergency care.

Schools should indicate the emergency closing location or pairing of schools for emergencies in their emergency operations plans (i.e. emergency that occurs en route to school).

2. School employees will be assigned as needed to facilitate the alternate arrangements.
